

I am a subscriber to XM Satellite Radio and enjoy the benefits offered to me, a paying subscriber, that are not available alternatively. I wish to protest the National Association of Broadcasters efforts to restrict my access to this paid programming as petitioned in 04-160. I urge you to reject the National Association of Broadcasters' attempt to limit XM Radio's broadcasting of information to me and other paying subscribers including, but not limited to traffic information, weather information and other paid programming.
